Supplies:

- Wooden letters
- Gold metallic paint
- Orange acrylic paint
- Walnut gel stain
- Paint cup
- Paintbrushes (3)
- Paper towels

- 1.** Using a paintbrush, cover your letter with gold metallic paint. Let dry.

- 2.** To achieve a distressed look, lightly dust orange paint onto letter with a stippling style. Apply more paint along edges, accenting corners and curves, as desired.

Tip: To achieve the look you see here, barely touch the wood with your brush as you make random, vertical strokes.

- 3.** Use a clean brush to completely cover the letter with walnut gel stain. Do NOT let dry.

- 4.** Using a paper towel, immediately wipe off walnut stain, leaving more stain on edges for depth of color.

Love your letters, and count your blessings!
