MASON JAR CENTERPIECES

Time: 20 Minutes | Level: Beginner

SUPPLIES:

- XL Glue Dots®
- Craft Glue Dots®
- Mini Glue Dots®
- Mason jars and lids
- (quart, pint and ½ pint sizes)
- Mini evergreen trees (various sizes)
- Small plastic deer (optional)
- Perfect pearls or glitter
- Artificial snow
- Twine
- Tweezers
- Cardstock (various colors)
- Die cut machine (snowflake, poinsettia, deer silhouette)

DIRECTIONS:

1. Place XL Glue Dots® on the bottom of the larger tree and place firmly in the largest mason jar.
2. Place Craft Glue Dots® on the bottom of the smaller tree and place firmly in a smaller mason jar. Tweezers may assist in this task.
3. Create deer silhouette from brown card stock (or use optional plastic deer). Adhere to bottom of jar with Mini Glue Dots®.
4. Sprinkle glitter or perfect pearls over the trees to add a shimmer.
5. Add enough artificial snow to the jars to cover the bottom. Some will stick to the trees as well.
6. Wrap twine around mason jar lids and tie in a bow.

TO MAKE SNOWFLAKES:

1. Using a snowflake die cut, cut a front and back per snowflake from glittered paper.
2. Adhere back-to-back with Mini Glue Dots® to create individual snowflake.
3. Adhere the snowflakes to the inside of the jar with Mini Glue Dots®. Repeat steps 4-6.

TO MAKE POINSETTIAS:

1. Cut poinsettia pieces from red and green cardstock using the die cut machine.
2. Place brad through the center of the poinsettia flower and leaves.
3. Place Mini Glue Dots® on the brad and adhere the poinsettia to the inside of the jar. Repeat steps 4-6.

UPCYCLED GIFT BAG

Time: 30 Minutes | Level: Beginner

SUPPLIES:

- Ultra-Thin Glue Dots®
- Pop Up Glue Dots®
- Mini Glue Dots®
- Green gift bag
- Twine
- Patterned paper
- Christmas-themed stickers
- Buttons, rhinestones, gemstones
- Border punch
- Small stapler

DIRECTIONS:

1. Measure the width of the bag and cut the patterned paper to the same width. Measure the height of the bag and add 1 ½" to the top and bottom of the height.
2. Using border punch, make a decorative border pattern on the top and bottom of the paper.
3. String two pieces of twine across the bottom portion of the paper and adhere ends to the paper with Mini Glue Dots®. Add staple accents in an X over the ends of the twine and Mini Glue Dots®.
4. Add a sentiment tag sticker using Pop Up Glue Dots® and add the leaf sticker beside the tag using Mini Glue Dots®.
5. Thread twine through red button and adhere to top of tag with Ultra Thin Glue Dots®.
6. Add rhinestones and other embellishments to the top of the paper.
7. Adhere the embellished paper onto one side of the bag using Ultra-Thin Glue Dots®.
8. Cut a piece of patterned paper that matches the original size of the embellished paper.
9. Add a punched border to both top and bottom edges and adhere the paper onto the backside of the bag with Ultra-Thin Glue Dots®.

NOEL BANNER

Time: 60 Minutes | Level: Intermediate

SUPPLIES:

- Micro Glue Dots®
- Mini Glue Dots®
- Ultra-Thin Glue Dots®
- 1" Glue Lines®
- XL Glue Dots®
- XXL Glue Dots®
- Canvas
- Brown cardstock
- Burlap
- Chipboard letters: N, E, L and snowflake (in place of the O)
- Patterned paper
- Border punch
- 1" circle punch
- Scissors
- Green paint
- Embellishments (pearls, buttons, eyelets, ribbon, paper flowers, etc.)

DIRECTIONS:

1. Cut patterned paper into four 9" x 7" banner rectangles.
2. Using the border punch, punch a decorative border around the sides and bottom.
3. Cut four banner rectangles slightly smaller than 9" x 7" using a complementary piece of patterned paper.
4. Layer the smaller banner pieces on top of the bigger banner pieces using Glue Dots®.
5. Roughly cut four 4" x 5" pieces of canvas.
6. Roughly cut four 4" x 6" pieces of burlap and layer offset onto canvas pieces with Glue Dots®.
7. Once the burlap and canvas are layered, offset and adhere the canvas to the banner using 1" Glue Lines®.
8. Cut triangle shapes from canvas and patterned paper, making sure the patterned paper triangles are smaller than the canvas.
9. Using 1" Glue Lines®, adhere the patterned paper triangle on top of the canvas triangle and adhere triangles to banners.
10. Punch a 1" circle from patterned paper and adhere it to the front of the rosette with XL Glue Dots®.
11. Paint letters green and let dry.
12. Add gold glitter for dimension with 1" Glue Lines® around edges and sides.
13. Use 1" Glue Lines® to adhere finished letters to banner pieces.
14. Use Mini Glue Dots®, Ultra-Thin Glue Dots® and Micro Glue Dots® to add embellishments to banner pieces.
15. Punch a hole in each corner on the top of banners. Add decorative eyelets and thread ribbon to tie banner pieces together.

TO MAKE ROSETTES:

1. Cut a strip of patterned cardstock to 12" x 1 1/2" and score every 1/2".
2. Fold accordion style and adhere the ends together with a 1" Glue Line® to create a circle.
3. Peel off the liner of an XL Glue Dot® and press the center of the rosette onto the adhesive.

CHIPBOARD ORNAMENTS

Time: 60 Minutes | Level: Intermediate

SUPPLIES:

- Ultra-Thin Glue Dots®
- Mini Glue Dots®
- Pop Up Glue Dots®
- XL Glue Dots®
- Square chipboard shape (3 3/4" x 3 3/4")
- Rectangle chipboard shape (3 1/2" x 1 1/2")
- Circle chipboard shape (3 1/4" diameter)
- Patterned paper
- Sentiment stickers
- 1" circle punch
- Red twine
- Gemstones
- Border punch

DIRECTIONS:

1. Cover both sides of chipboard shapes with patterned paper. Secure using Ultra-Thin Glue Dots®.
2. Trim excess and distress the edges for an aged look.
3. Punch a circle and adhere it to top of the rosette with XL Glue Dots®.
4. Peel off the back liner on the XL Glue Dot® and press the rosette onto the ornament.
5. Use Mini Glue Dots® to add embellishments.
6. Punch a hole on the top of the ornaments, thread twine through and tie to create loop.

TO MAKE PAPER ROSETTES:

1. Punch out a decorative edge on one edge of a 12" x 1 1/2" strip of paper.
2. Score the paper every 1/2", fold accordion style and adhere the ends together with a 1" Glue Line® to create a circle.
3. Peel off the liner of XL Glue Dot® and press the center of the rosette onto the adhesive.
