DMC Stitchable Cork Ornaments

DMC STITCHABLE CORK ORNAMENTS

TIPS FOR WORKING WITH CORK

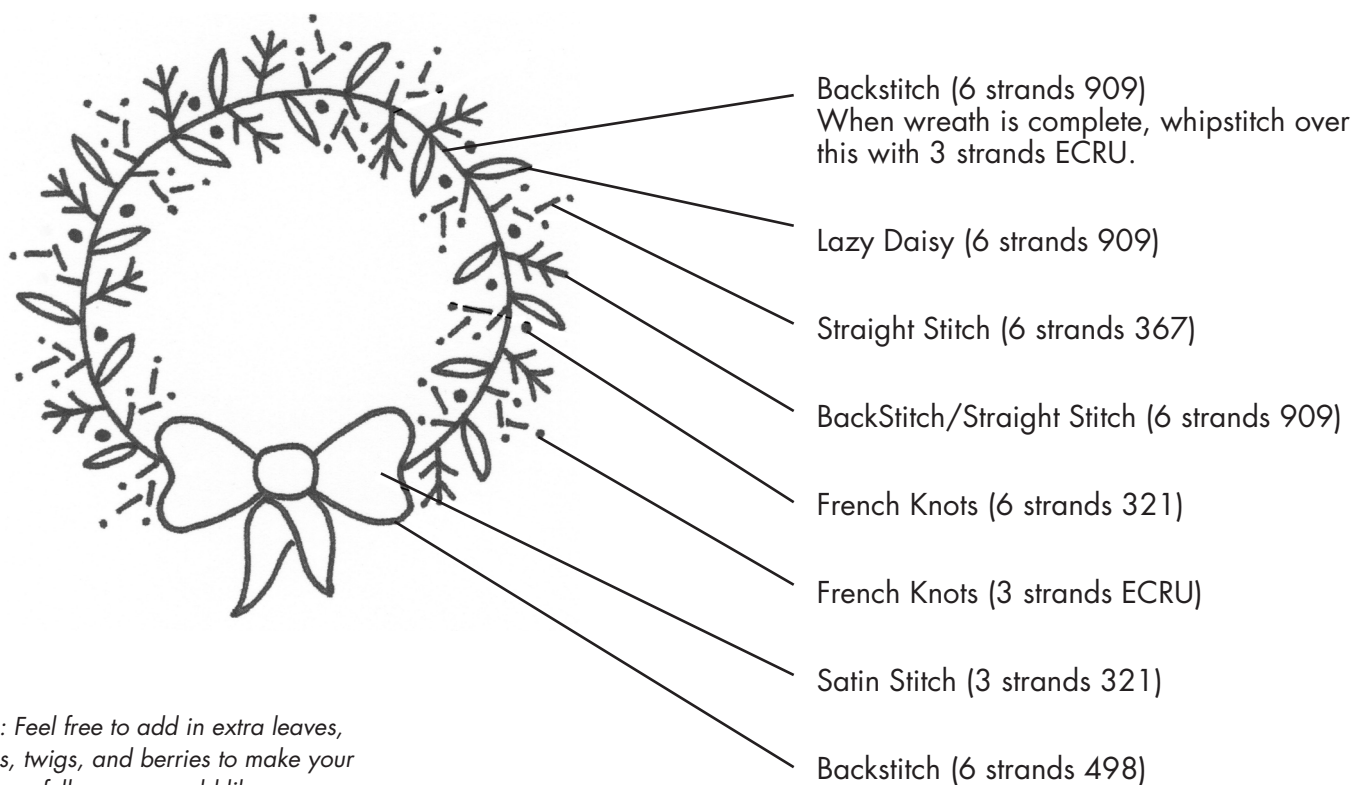

- To transfer the pattern to the cork, it is easiest to use transfer paper or tracing paper you can tear away.
- For best results, use a sharp needle to stitch through the cork.
- Treat your thread with thread conditioner or beeswax for smooth stitching.

DMC Embroidery Floss, One skein each:
ECRU, 321, 367, 498, 909

*Note: Feel free to add in extra leaves,
sprigs, twigs, and berries to make your
swag as full as you would like*
