INSTRUCTIONS:

1. Print template.
2. Add interfacing to fabric. Wrap fabric around lampshade to determine necessary size and mark.
3. Transfer template to fabric and embroider as desired.
4. Sew straight sides of embroidered fabric and place piece on lampshade. Mark 1" from edge of lampshade and cut on the line.
5. Double fold the 1" of fabric behind lampshade and secure with hot glue.
6. Glue bias tape over folded fabric for smooth finish.
