INSTRUCTIONS

1. Adjust pattern at fold line to desired size. Cut two pieces from fabric and pin right sides together.
2. Sew pieces together with 3/8" seam allowance, leaving 2" gap for turning out.
3. Turn headband right side out and press.
4. Cut elastic and slip into sewn headband, securing each end 3 ½" away from fold line by backstitching multiple times to ensure stability.
5. Using matching thread, top stitch 2" gap to close headband (use 1/8" seam allowance).
6. Tie ends of headband together, forming bow. Try on and adjust fit by retying if needed.
7. Hot glue trim to back of bow, then trim excess.
8. Tack bow to headband using hot glue.
